Child's name(s):

Sex: M/F Date of Birth:

While attending this preschool, your child will be given the same help and support as you would give at home. Nappy changing and toileting will follow set procedures, as attached.

To support this care, please would you provide spare nappies, pants, clothes and wipes. These can be left in the child's bag.

Children who are in nappies will be changed during the preschool session IF:

- They soil their nappy **or**
- the nappy becomes excessively wet **or**
- they attend all day.

As we have no facilities for the disposal of used nappies, these will be bagged, for you to take home and dispose of.

We are pleased to help with the process of 'Toilet training' your child, please provide spare pants, clothes and wipes in order to support this.

Comforting

In our setting we recognise that forming close relationships with children in their early years is essential to enable children to develop and grow as confident individuals with a real understanding of social responsibility and self esteem. We acknowledge that touch is a necessary and desirable part of the development, emotional well being, care and education of all young children. If your child is distressed, hurt, worried, upset or they instigate the need for affection, our staff will comfort them by offering a hug or cuddle. Our aim is to treat your child as you would, if you were here – we realise the importance of re-assuring a distressed child. All our staff are DBS checked and a minimum of 2 staff are present however few children attend sessions.

I have read and understand this Agreement and I accept the conditions laid out therein.
